

Workboat Crewmember Apprenticeship Vacancies

Boskalis Westminster are looking to recruit 2 apprentices for their UK based work boat fleet.

Applicants must have been resident in UK for at least 3 years, eligible for work in the UK and will be subject to security clearance.

Applicants will be required to pass an ENG1 medical (Navigational Watchkeeping).

The training period will be 84+ weeks and will include study both at college and aboard our vessels.

On completion of the training period the apprentice will have gained the following practical qualifications;

All STCW basic safety courses.

STCW designated safety duties.

Navigational watch rating.

Efficient Deck Hand (EDH).

RYA Yachtmaster Offshore.

AEC 1 & 2.

Hydraulic crane operator.

Slinger and signaller.

Applicants will be expected to have at least four GCSE's level 'C' or above and include Maths, English and Science.

The apprenticeships are paid positions and will commence on 28th August 2018

Applicants should apply by email to; emily.swinton@boskalis.com
